Material safety data sheet

**Processing:**

Object: carpet

- system cleaning with RM 771 Carpet cleaning granulate:
  - spray RM 770 carpet intensive cleaner (dilution 10%) on the carpet
  - sprinkle RM 771 onto the carpeting (approx. 50 g/m<sup>2</sup>)
  - use roller brush machine BRS 40/550 C Carpet
  - vacuum the granulate with an upright brush-type vacuum cleaner
- Spray extraction:
  - fill the solution ( 1 part RM 770 with 7 parts water) into the spray extraction machine
  - rub the cleaning agent into the textile covering in overlapped lines with the spray extraction machine
  - rinse with clear water
