

RM 811 ASF

Active Wash

PRODUCT INFORMATION

RM 811 ASF is a wax-compatible brush shampoo for **brush wash processes of cars and commercial vehicles** in washing plants.

Due to its special composition the gliding of the brushes is supported and the surfaces are considerably treated. Simultaneously the brushes are prevented from soiling to a large extent.

RM 811 ASF is free from mineral oils and hydro carbons.

Some further advantages: RM 811 ASF is easily biodegradable in accordance with OECD guidelines. Additionally RM 811 ASF shows the easy to separate properties which have been patented by Kärcher and does not affect the efficiency of oil separators.
