

RM 829

Drying Aid

PRODUCT INFORMATION

RM 829 is a concentrated **Rapid Drying Aid with thermowax properties** for the application in vehicle washing plants either als hot wax or as chemical drying aid. RM 829 shows an ultra quick break-down of the water film and a gentle long-time preservation with water-repellant and polishing effect.

RM 829 is also suitable for soft water (< 7°dH) and osmotic water operation.

RM 829 is free from mineral oils and hydro carbons.

Instructions for application:

Type of plant	Predilution (RM + water)	Application strength based on original concentrate
brush wash plant	undiluted	0,1 to 0,3 %
HP-gantry wash plant	undiluted	0,1 to 0,3 %

Temperature: max. 80 °C

Store in a frost-proof place!

Avoid overdosing!

Do only apply on clean and rinsed off surfaces!

Without blower a subsequent rinsing step with osmotic water is recommended!

pH-value concentrate: approx. 5
