

RM 830 ASF

Underbody Wax

PRODUCT INFORMATION

RM 830 ASF is an **underbody wax** for the application in car and commercial vehicle washing plants equipped with underbody spray devices.

Due to its capillary activity RM 830 ASF even reaches places which with difficult access and gets under dirt residues which leads to a effective reduction of corrosion.

RM 830 ASF is free from mineral oils and hydro carbons.

Some further advantages: RM 830 ASF is easily biodegradable in accordance with EEC 648/2004. Additionally RM 830 ASF does not affect the efficiency of oil separators.

Instructions for application:

Type of plant	Predilution (RM + water)	Application strength based on original concentrate
vehicle washing plant	undiluted	1 to 3 %
